# 1. ABOUT US

## 1. ABOUT US

# ORIGINS

Agriculture and farming has been the traditional family trade for many generations. As original natives of the Nile Delta, our family-run business has supplied the market with the highest quality crops since the 1940's, and we hold our legacy as a symbol of that success. Today, we have developed EGYFARM as the modern representation of almost a century of leadership and expertise.

# MISSION

Aligned with our history, our mission is to supply the market with the highest quality products. To do so, we put together a close-knit, passionate and focused team that continuously generate the most innovative ideas.

Our clientele demands the most premium organic products worldwide, and we strive to fulfill that demand by reflecting our roots and core values in all our work.

---

# VISION

We are devoted to source good and fresh fruits from our farms.

Our vision is driven from the 5 P's:  
Process Simplicity, Premium Quality, Professional Health Standards, Partner's Trust (Employees, Suppliers & Clients), Peoples Focus (Team & Society).

# OUR CORE VALUES

**Integrity** is our Roots - The foundation from which we have built our business is our belief in the quality of our products.

**Teamwork** is our Cultivation - Every member of the EgyFarm family is a key element to our success.

**Customers are our Growth** - Our customer's satisfaction is the drive for our development as a company.

**Excellence** is our Leaves - We aim for the highest quality.

**Innovation** is our Branches - We consistently integrate new technologies to cope with the future of the agri-business.

# MULTI GROWING

### 3. WHY EGYFARM

## OTHER BENEFITS

We maintain 4,000 hectares of export-quality farmland. International clients have trusted us for years to deliver the highest quality product with full consistency and strict punctuality.

EgyFarms are the earliest producers of Egyptian grapes.

We have full control of our products as they all come directly from our farms

Our EgyFarm family comprises of 400 permanent employees and 69,000 seasonal Manpower days.

A wide-angle photograph of a vast date palm plantation. The trees are arranged in neat, parallel rows that stretch far into the distance. The palm fronds are a vibrant green, and the trunks are a brownish-tan color. The ground is dry and sandy, with shadows cast by the trees. The sky is a clear, bright blue. The overall scene conveys a sense of scale and agricultural productivity.

## **4. SOCIAL RESPONSIBILITY**

---

# SOCIAL RESPONSIBILITY

## **Committed to high standards of ethical, social and environmental responsibility**

Our success is heavily intertwined with our industry, community, and environment.

At Egyfarm, we hold our production to the highest standards of quality while making sure our methods are sustainable and environmentally friendly.

## **Research and Development**

To guarantee our position as market leaders, we rely heavily on our ability to be innovative in our solutions and techniques. Consistently being the most productive and efficient among the industry is a direct result of extensive agriculture research and development.

## **Registered with SEDEX (No) since 2005**

Sedex is one of the world's leading ethical trade service providers that helps to improve working conditions in global supply chains.

We are proud to be associated with these standards.

---

# SOCIAL RESPONSIBILITY

## **Support for vulnerable families**

Our community is the core of our business. We work to improve our peoples' quality of life; we offer profit sharing opportunities to the most vulnerable members of the community.

## **Literacy and adult education program**

Illiteracy is one of the main challenges facing Egypt. We are doing our part in supporting the accessibility of education to those who need it the most. We started this initiative with our own workers, and have now expanded to include the wider community in the program.

## **Newly Married and New Born**

We have a BIG family! We make sure that new additions are celebrated, supported, and made to feel welcome in the Egyfarm family.
